## ABOUT KRISTIN

After my grandmother was faced with a sudden change in living circumstances, I realized how difficult it can be for seniors to pack, move and settle in to a new home.

I started The Right Transition to assist seniors and their families with the decisions, details and sometimes intense emotions associated with the process of moving.

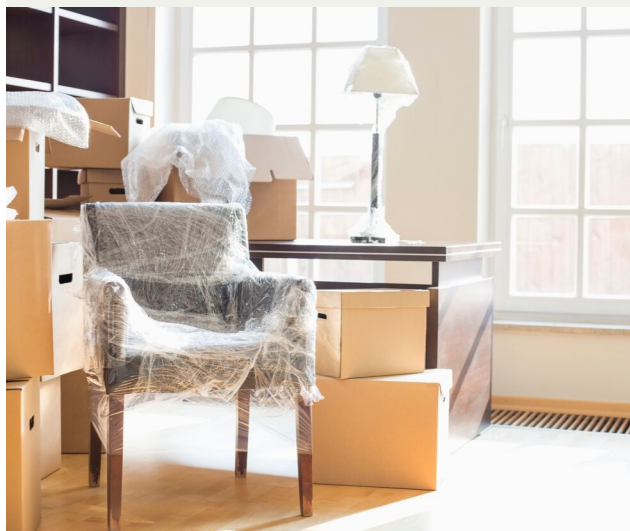

We sort, schedule and simplify so your loved ones can just settle in.

*"Our goal is to help make every client's transition as simple as possible by managing the entire process with care and compassion, from start to finish."*

## THE BENEFITS OF USING THE RIGHT TRANSITION

We save you time, money and energy while supporting your transition with dignity and autonomy.

When you work with a NASMM Certified Move Manager you can:

- Relax because we handle all the details!
- Focus on your loved ones without worrying about schedules, packing or moving
- Take care of yourself -- transitions can be difficult for everyone.
